

### ***Thank you FPC!***

It's hard to believe the academic year is about halfway over. Over the last 5 months, the INN staff has been able to reach out to college students at Western Washington University and Whatcom Community College in many exciting ways. We are incredibly grateful for the support we receive from the First Presbyterian Church family on a consistent basis.

Thank you to all who have supported us so far this year by cooking meals on Tuesday Nights, donating food for our Thanksgiv-INN celebration, baking cookies and sharing Christmas decorations for our annual FaLaLaINN party on campus, donating goods for this past weekend's garage sale, and so much more. Through your support in these and many other ways, we are able to serve students, reach out to those who have no community or faith, and share the love of Jesus Christ in creative, fun, and challenging ways.

We look forward to the rest of the school year with excitement as we continue to follow God's call to serve students in Bellingham. Mission trips are coming up, we're preparing for new intern staff and student leaders, and we're continuing to meet every Tuesday night at 9pm to worship together and grow in faith. If you are ever interested in ways to continue to be involved, or connect for the first time, please contact us at [info@theinnministries.org](mailto:info@theinnministries.org) or 360.733.7704 or just stop by our offices next door to the church.

Blessings and thanksgiving,  
the INN University Ministries Staff
